
Weddings at Simon Hackett Winery

SIMON HACKETT

About Us

Simon Hackett Winery is the closest McLaren Vale winery to Adelaide. We are enviably located only 35 minutes from the CBD.

After 40 years operating only as a cellar door, we are thrilled to announce we are finally accepting weddings.

The property was renovated in 2021 with weddings at the forefront of the design.

A brand new dining room and terrace sits metres from a sweeping vineyard.

Ceremony on the intimate cellar door lawns in front of our old fig tree overlooking the vines.

Post Ceremony on the large top lawns for pre-dinner drinks, canapés, and games.

Reception in our dining room and adjoining terrace.

Throughout the winter months a clear curved marquee covers 72 square metres of the terrace. This makes winter weddings with us truly special.
